

Product Range Description

Application	Product	Description	Dosage	Commercial segment
Diesel	DiesoLiFT 10	Fuel consumption and emissions reduction - Increased engine power - Bio-degradable	1700 ppm	Industrial end-users/addive retailers
	DiesoLiFT EM-1	Engine power increase - Bio-degradable	1700 ppm	Industrial end-users/addive retailers
	DiesoLiFT FEB	Fuel consumption and emissions reduction, power increase - Stabilizing B5 to B30 bio-diesel blends	2000 ppm	Industrial end-users/addive retailers
	PerfoLiFT PP-100	Performance package: cetane booster, lubricity, detergency/keep-clean	1000 ppm	Fuel blenders/distributors & additive retailers
	PerfoLiFT PP-111	Performance package: fuel efficiency, emissions reduction, cetane booster, power increase, detergency/keep-clean	200-1000 ppm	Fuel blenders/distributors & additive retailers
	PerfoLiFT PP-112	Performance package: fuel efficiency, emissions reduction, power increase, detergency/keep-clean	1700 ppm	Fuel blenders/distributors & additive retailers
	"	Performance package: cleaning off-road diesel tanks	500-1000 ppm	Fuel blenders/distributors & additive retailers
	PerfoLiFT PP-114	One-shot performance package: fuel efficiency, emissions reduction, cetane booster, power increase, detergency/keep-clean	5000 ppm	Fuel blenders/distributors & additive retailers
	PerfoLiFT PP-115	Performance package: fuel efficiency, emissions reduction, cetane booster, power increase, detergency/keep-clean, bio-diesel fraction stabilization, bio-cide	1000 ppm	Fuel blenders/distributors & additive retailers
	PerfoLiFT PP-116	Performance package: fuel efficiency, emissions reduction, cetane booster, power increase, detergency/keep-clean	500-2000 ppm	Fuel blenders/distributors & additive retailers
	PerfoLiFT PP-119	Performance package: fuel efficiency, emissions reduction, cetane booster, power increase, detergency/keep-clean, bio-diesel fraction stabilization	300-1000 ppm	Fuel blenders/distributors & additive retailers
	PerfoLiFT PP-121	One-shot performance package: fuel efficiency, emissions reduction, power increase	5000 ppm	Fuel blenders/distributors & additive retailers
	PerfoLiFT PP-122	Performance package: fuel efficiency, emissions reduction, power increase, detergency/keep-clean, biodiesel fraction stabilization	300-1000 ppm	Fuel blenders/distributors & additive retailers
PerfoLiFT PP-123	Performance package: fuel efficiency, emissions reduction, cetane booster, power increase, detergency/keep-clean, reinforced oxidation protection	50-500 ppm	Fuel blenders/distributors & additive retailers	
PerfoLiFT C-1	Cetane booster	100-1000 ppm	Fuel blenders/distributors & additive retailers	
Off-road diesel	PerfoLiFT PP-300	Performance package: fuel efficiency, emissions reduction, power increase, cold flow improver, detergency/keep-clean, bio-diesel fraction stabilization, bio-cide	500-1000 ppm	Fuel blenders/distributors & industrial end users
	PerfoLiFT PP-301	Performance package: fuel efficiency, emissions reduction, cetane booster, power increase, cold flow improver, detergency/keep-clean, bio-diesel fraction stabilization, bio-cide	500-1000 ppm	Fuel blenders/distributors & industrial end users
Gasoline	GasoliFT 10	Fuel consumption and emissions reducing additive - Increase engine power - Bio-degradable	1000 ppm	Additive retailers
	GasoliFT EM-2	Engine power increase (gasoline) – Bio-degradable	1000 ppm	Additive retailers
	PerfoLiFT PP-211	Performance package: deposits controls, detergency/keep-clean, improved combustion, fuel efficiency	200-1000 ppm	Fuel blenders/distributors & additive retailers
	PerfoLiFT PP-212	Performance package: deposits controls, detergency/keep-clean, improved combustion, fuel efficiency, octane booster	1000 ppm	Fuel blenders/distributors & additive retailers
	PerfoLiFT PP-214	One-shot performance package: deposits controls, detergency/keep-clean, improved combustion, fuel efficiency, octane booster	5000 ppm	Fuel blenders/distributors & additive retailers
	PerfoLiFT PP-215	Performance package: deposits controls, detergency/keep-clean, improved combustion, fuel efficiency, reinforced oxidation, rust and corrosion protection	10-100 ppm	Fuel blenders/distributors & additive retailers
	PerfoLiFT PP-221	One-shot performance package: deposits controls, detergency/keep-clean, improved combustion, fuel efficiency	5000 ppm	Fuel blenders/distributors & additive retailers
PerfoLiFT O-1	Octane booster	up to 1000 ppm	Fuel blenders/distributors & additive retailers	
Heating oil	PerfoLiFT HO-101	Increases calorific value, boiler efficiency, combustion improver, cold flow performance, reduced soots, smoke and acidity, system cleaner, antirust and anti-corrosion	1000 ppm	Fuel blenders/distributors & industrial end users
Biodiesel	PerfoLiFT BD-1	powdered stabilizer - technical BHT	up to 1000 ppm	Bio-diesel producers
	PerfoLiFT BD-2	powdered stabilizer - TBHQ	up to 300 ppm	Bio-diesel producers
	PerfoLiFT BD-3	liquid stabilizer - vegetable feedstocks - deposit control and long-term storage - AGQM listed	50-500 ppm	Bio-diesel producers
	PerfoLiFT BD-4	liquid stabilizer - vegetable feedstocks - deposit control and long-term storage - AGQM listed	50-500 ppm	Bio-diesel producers
	PerfoLiFT BD-7	liquid stabilizer - animal/poultry/recycled feedstocks - deposit control and long-term storage	50-500 ppm	Bio-diesel producers
	PerfoLiFT BD-8	liquid stabilizer - fighting grade liquid antioxidant	50-500 ppm	Bio-diesel producers
PerfoLiFT BD-9	liquid stabilizer - all feedstocks - deposit control and long-term storage	50-500 ppm	Bio-diesel producers	
Components	PerfoLiFT D-series	Dispersants - upon request		
	PerfoLiFT MD-series	Metal deactivator/passivator - upon request		
	PerfoLiFT AO-series	Antioxidants - upon request		
	PerfoLiFT AC-series	Anticorrosions - upon request		
	PerfoLiFT LI-series	Lubricity improver - upon request		

Answering all inquiries for development of tailor-made additive packages meeting specific customer requirements
